Special Notice

Church membership has voted to renovate our existing church building instead of building a new church.

This may affect you.

If you have donated any monies to the

“New Church Building Fund”

and do not want those monies used for the renovation you must contact Bette Wozniak by May 1, 2024.

A new fund has been created to give everyone the opportunity to donate to the renovation of our church.

We are looking forward to all the improvements to our Lord’s house!
